## Knowing the Bible Book by Book Dr. David Rountree

When we get God's Big Picture, the smaller pieces make more sense. When God's word is understood well, it is transformational. This class will survey every book of the Bible, from Genesis to Revelation. Every class will reveal essential doctrines necessary for spiritual growth and discipleship maturity. The goal is to be equipped in the "whole counsel of God" by learning the main subjects in every book of the Bible. It is an entire Bible "walk-through" and it may take a few years, but come along for the joy of growing deeper, richer and sweeter in Christ every week.

## Parenting Poorly, But With Grace Joey & Britney Thames

Through experience and great decision making, we have found that good parenting only requires a winning formula and a charismatic attitude. We hope to equip you with that formula so you can be a winner too. I hope you are either appalled or laughing. Truthfully, our intention is to lead you to our only source of truth, the Scriptures, as we struggle through failure, shame, sorrow, and yet how to embrace joy and great delight with the ones that we've been charged to train up. Come along with us as we go on a repentant journey to see His glory through parenting.

A212

## COLLEGE & CAREER - Cults & Religions Dr. Dirk Graves & Dr. William Milford

This class will provide a biblical perspective on topics relevant to this phase of life - After high school & beyond or, "adulting". If this is where you are, you do not want to miss this great discipleship opportunity.

A213

## Genesis Dr. Mark Burchette, Jay Long & Joe Noblitt

You may ask yourself-----why take a class on Genesis? How can such an old book have an application to my life? Genesis is an old book, but it answers many of the questions that we are asking today and many of the questions that we'll be asking in the future. Come and join us for a wonderful study of God's Word in the book of Genesis.

A214

## MIDDLE SCHOOL - Knowing the God Who Is

We will journey through Scripture as we love God and his word to discover the truth about our awesome God—who he is and our relationship to him, his attributes, his names, and what that says about him.

B105

## HIGH SCHOOL - Sanctification

We will study RYM's curriculum of SANCTIFICATION: Becoming Who We Were Made To Be.

## There Are Many Classrooms at New Covenant School

At NCS, learning happens in the campus classroom, science lab, local theater, and sometimes in the dirt! We're learning through electromagnetics, gem mining, theater, a guitar ensemble, and more...

# New Discipleship Hour Class

ELECTION - CHOSEN BY GOD

LED BY DR. MARK BURCHETTE

Have you ever wondered what went on behind the scenes when you became a Christian? Do you think that God had foreknowledge of your decision to choose Him and thus he chose you? Do you think that before you were a Christian that you had the freedom to choose God or reject Him? In this class we will study the Scriptures to get an understanding of the biblical view of God's election of sinners without destroying the freewill of man. We will also look at the sovereignty of God and how a proper view of this destroys any thinking concerning bad luck or chance.
