

MUSIC TEAM MEMBER COVENANT

Welcome!

We are so grateful that God has uniquely gifted our church body in a variety of ways. Thanks for your willingness and eagerness to offer your time and talents in worship of God and in service to our congregation. We greatly value our weekly time of corporate worship and have a lot of fun serving with one another. As a church we call on our members to serve with competence in their area and with character as an ambassador of Christ.

This covenant expresses our leadership's commitment to you and your commitment to God and our church as you serve in music ministry. Your understanding and agreement to the below will help us foster a thriving ministry for God's glory and our edification. In addition to the points below, you commit to read our booklet entitled "Worship and Discipleship" and uphold the Motto and Mission of New Covenant Church.

NCC Motto: "Promoting a life-changing faith within a loving fellowship."

NCC Mission: "Wholehearted love for God and man through exaltation, edification, and evangelism."

Our leadership commits to you:

1. Spiritual support and prayer as we gather to serve each week.
2. Encouragement and equipping as we seek to grow in our musicianship.
3. Sufficient resources for rehearsal a week or more in advance of a service.
4. A joyful and challenging atmosphere in fellowship serving together.
5. Opportunities to use your God-given gifts to serve the Lord and the body of believers.
